You know you're in love when you don't want to fall asleep because reality is finally better than your dreams.

I never seen such a sweet lovely weds like you from the deepest part of my soull sincerely say, best wishes and be forever be showered which more blessings and love...

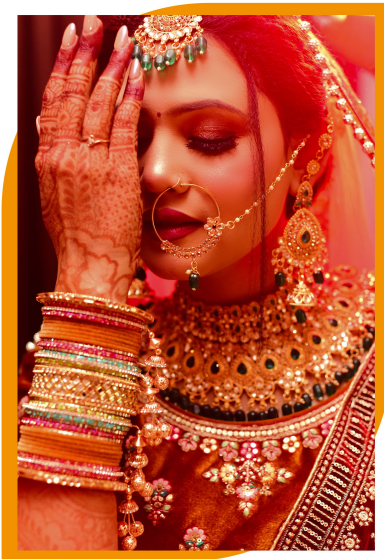

What greater thing is there for two human souls than to find that they are joined for life? To strengthen each other and to be at ease with each other in almost unbreakable moments.
